COOPER CUP GOES TO THE DEFIANCE

At a meeting of the regatta com-
mittee held yesterday afternoon it was
decided that the Maggie is disquali-
fied from the last Cooper cup race
and the Defiance named the winner.The committee arrived at this de-
cision only after the most careful in-
spection of all the details. They ap-
preciated the fact that it was working
a hardship on Alec Lyle, who sailed
a magnificent race and brought the
Maggie in within her time allowance
by pure cleverness of boat-handling.But the rules are there and infringe-
ment of them, no matter how unin-
tentional, in deference to the other
yachts and the good of the game,
must call for disqualification.It was only after going over the
naval charts and consulting with au-
thorities, that the committee decided
to disqualify the Maggie. It is surely
hard luck for Captain Lyle, but these
things are bound to happen in yacht-
ing, there are hundreds of them every
season in one place or another, but,
while they make it unpleasant for
those who have to disqualify a well-
sailed yacht, they are good for yacht-
ing for they teach the rising genera-
tion of yachting skippers to look out
for details.One of the most annoying cases of
this kind that comes to mind within
the last few years was when Joe Fel-
lows built and sailed the first really
modern racer in San Pedro waters.The Venus showed an immense su-
periority over all the other boats. Joe
was far ahead at the finish of the
course, which was triangular. He
passed the finishing line in opposite
direction to that in which he had
started. The Osborn, an old-style
boat, came in fifteen minutes later
and won the prize.

CRICKETERS ATTEND TODAY

There will be a meeting of the
cricket club this afternoon at 5 o'clock
in the Scottish Thistle Club and every
cricketer is urgently requested to be
present.The main object of the meeting is
to arrange for a trip to Maui. This
would be a very attractive excursion
and it is up to Oahu to get together
a good team and send it over there
after the wonderful hospitality shown
by the good Mauians to the yachts-
men and the keen desire they showed
to have the cricketers go over there.Mr. McGill was one of the crew of
the Kamehameha on the trip to
Kahului and he and some of the Maui
cricketers got together and talked
cricket for thirty-six hours without
stopping. At least that is what was
reported, there may have been some
exaggeration about it. But the result
of all this confab was that they all
determined to have a good cricket
game and a good time over on Maui
and there is no better place in the
world for either.Now it is up to the local cricketers
to make a noise like live ones. Get
their bats into practise and arrange to
get away from business for three or
four days. Each player will pay his
own steamer fare and that is all the
expense there will be. Oahu money
is bogus on Maui when sportsmen go
over there. If you don't believe it
ask a yachtsman.

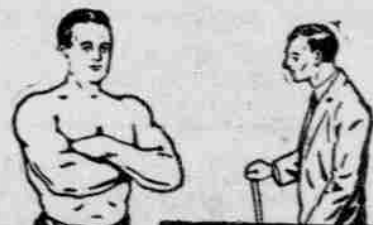

TOM MORRIS TOURNAMENT

In the Tom Morris tournament,
played for on practically every golf
links in the United States yesterday,
the Oahu Country Club team made an
excellent showing, although chances
for winning the trophy seem slim.Par had the best of the golfers by
98 holes. While this sounds like a
large score on the wrong side, it must
be remembered that Par is very much
more difficult than Bogey, as it is
figured strictly on distance and diffi-
culty and size of bunkers are not taken
in to account.The score will not leave here for
nearly a week and then it has to go
to Chicago and be figured out before
the winner is known. The entire re-
sult will not be known here until
nearly two weeks later, so that we
must wait for at least a month be-
fore we know where our local golfers
figure on the list of a hundred and
thirty clubs that took part in the
tournament.The individual scores were: T. Gill,
9 down; George Angus, 19; H. H.
Walker, 19; C. A. Hartwell, 12; F. H.
Armstrong, 13; J. O. Young, 13; E. M.
Campbell, 15; C. E. Edmunds, 16.

HARVEY WINS GUN CLUB CUP

The Hawaiian gun club cup for the
weekly shooting competition was finally
won for the third time yesterday
afternoon by J. W. Harvey with a
possible score of twenty birds out of
twenty.W. M. Vincent, who already had one
leg on the cup, was the runner up,
but, even with his handicap, he was
unable to equal the superb shooting
of the winner. Mr. Harvey was in
excellent form and everybody who
watched him shoot stated that they
had rarely seen him in quite such an
unerring mood.

CHILLED BEEF

Good Beef is not necessarily frozen beef, but to be sanitary,
and in order that you may have tender beef without paying
for tenderloin, it should be thoroughly chilled in cold storage.
Beef from slaughterhouse to table can not possibly be tender,
nor good. We are offering you Australian Lamb and Beef this
week that is very good, and some of the mutton in the lot is al-
most as sweet flavored and tender enough to suggest mint sauce.

You Can't Be Happy With a Headache

Probably more pleasure is spoiled because of headache. Can from any
other reason.When your head aches it not only makes YOU unhappy, but it is very apt
to interfere with the pleasure of everyone else around you. One can't be ex-
pected to be very cheerful and pleasant when one's head is simply splitting.

And there is no need of suffering. Keep a box of

Stearns' Headache Wafers

in the house when you are at home—carry it in your bag when you travel. That
insures you against the annoyance of headaches—your own and other people's.Stearns' Headache Wafers are as pure as they look, and the snow-white
wafers certainly indicate purity in the highest degree. One dose cures, and
leaves your head "clear as a bell."They are so much better than any other kind that your own interest de-
mands that you insist on STEARNS'—the genuine.
